15.1 FEET x 5.75 FEET + DISPLAYS | Weighs ~700 lbs

POWER REQUIREMENTS

1x standard US / International outlet (20 amps)
[Dual-UPS battery backups included onboard]

A grayscale photograph of a Formula 1 cockpit. The cockpit is enclosed in a clear protective canopy. Four large, rectangular displays are mounted on a black frame above the steering wheel. The displays are dark and reflect the surrounding environment. The steering wheel is visible at the bottom of the frame. The background is a blurred view of the track and surrounding structures.
